To: Addressees
From: Daniel C. Esty, Commissioner
*Department of Energy and Environmental Protection

*Public Act 11-80, effective July 1, 2011, established the Department of Energy and Environmental Protection as the successor agency to the Department of Environmental Protection

Date: s/s/1/9/2012
Subject: Notice of Intent to Take Action Regarding Revision of Existing Regulations
Regarding Underground Storage Tanks

Pursuant to section 4-168(d) of the Connecticut General Statutes, the Department hereby gives notice of its intent to proceed with the revision of existing regulations regarding underground storage tanks ("USTs").

The proposed revisions were the subject of a public hearing held on July 28, 2010. The final wording of the proposed revisions, the principal reasons in support of this intended action, the principal considerations in opposition to this intended action, and the Department's reasons for accepting or rejecting such considerations are all available for copying at the Department's office at the Department of Energy and Environmental Protection, Emergency Response and Spill Prevention Division, 4th floor, 79 Elm Street, Hartford, Connecticut 06106. This information is also available on the Department's website at: <http://www.ct.gov/dep/ust>, or can be obtained by contacting Marion Torres at (860) 424-3348 or marion.torres@ct.gov.
